## OUR PILLARS

We put kindness and community at the heart of everything we do at St James. We know we are stronger together and we take time to celebrate our diversity as a community and our successes. This helps us to create a happy and ambitious community of students and staff. We believe in equity for all and seek to remove any barriers that students face in achieving a good education and thriving in their lives.

## OUR VALUES

We value kindness at St James and work to be kind in all of our interactions and we engender the same in our students. We provide strong relationships to our students so they feel safe and happy.

## TUTORS

Every student is in a tutor group and they meet daily for canon. The tutor is the student and families first point of contact for support in school.

## HEADS OF YEAR

The Head of Years responsibility is for the welfare of students. We support them to be kind people and thrive in their learning.

## SPECIALIST SUPPORT

We have a range of specialist support to help students with special educational needs and disabilities. This includes teaching assistants and mentoring teams.
