Dear parents and carers

I am delighted to inform you that Lindsay Skinner has been appointed substantive Headteacher of St James School from September 2019. Lindsay is currently Director of Education at Bridgwater Academy in Somerset.

We received a very high number of applications for this role and the interview process was rigorous and challenging. The Governors and the Trust are extremely confident that this will be an outstanding appointment as St James embarks on its next phase of improvement and development.

Over the next term, Lindsay will be able to spend time at St James with the staff and students to ensure a smooth transition and I am sure she is very much looking forward to introducing herself to you as soon as it is practical.

May I take this opportunity to thank the large numbers of students, staff and governors who were involved in the process and also to you for your continued support.

Yours sincerely

Moira Marder
Chief Executive Officer
