Catering Notice

As of Thursday 1st April 2021 Aspens Services will become the school's new catering suppliers.

Aspens who specialise in providing catering services to schools are passionate about great tasting food and offer a wonderful selection of choices. Offering great tasting homemade wholesome food, produced using quality, locally sourced ingredients. Food that is not only nutritious but keeps students coming back for more.

We are thrilled by this move as it will allow the school to have direct management over the catering provision provided.

Just whilst we change over suppliers, we are unable to accept cash at the canteen on Wednesday 31st March and Thursday 1st April and only those pupils entitled to free school meals will be able to use the canteen. **All other pupils must bring a packed lunch.**

The school menu will be available on the school website ready for the new Summer term starting on Monday 19th April. Ordering and purchasing school meals will continue as usual from this date.

Please see attached welcome information from Aspens and more detail on what to expect on our school menu's after the Easter Holidays.

If you require further information on the above, please contact the school on CLJ@stjamesexeter.co.uk

Kind regards
